

Artisans of Bagan - Their Creative Quarters

Bagan

Meet with Maung Thiha who graduated from the State School of Fine Arts and will share his exhibitions and creations of arts.

In the quiet quarters, track away from the touristy sides of Bagan, there is an creative commune of writers, painters, and other artists gather and share new ideas. Dive into an art scene that is rarely visited and meet its members, who welcome questions about their work and life in the ancient capital.

Among the interesting characters that you will meet include the artist, Maung Thiha, who graduated from the State School of Fine Arts and has exhibited in Hong Kong, Thailand, and Myanmar.
