

Biking into the Rural Countryside of Mandalay

Mandalay

Peaceful Countryside biking that has rural scene remained unchanged for centuries.

Observe to the local daily life and a typical Mandalay village.

Prepare for an early morning transfer* from your hotel to the Grasshopper Adventures bike shop that operates this fantastic tour into the countryside around Mandalay. On arrival choose your bike and helmet, and get a short introduction to your bike. You then start riding through back lanes and side streets to get out of town – passing through fresh markets and lively neighborhoods – heading for the northeast of the city. After only a short ride, you find yourself surrounded by fields where farmers tend to their crops and villagers go about the daily routines – a rural scene that has remained unchanged for centuries. You make some interesting stops – first at a fresh market to learn about the different products
