

Ethical Indigo Hands on Workshop

Chiang Mai

Delve into the world of indigo dyeing during a hands on workshop. Learn about the techniques before creating your own masterpiece to take back home.

Nestled in the shade of Suthep mountain, meet your expert designers who will guide you on your creative indigo dyeing workshop. Discover the heritage of this ancient craft, see the magic of color from 25 year old indigo dye vats and uncover the complete indigo process from harvesting to dyeing. Explore the numerous materials from leaves, woo and seeds used to create brilliant colors and designs before creating your own personal piece.
