

Heart & Soul of Bangkok

Bangkok

Explore Bangkok's most important spiritual and cultural highlights before taking a cruise along the khlongs by longtail boat.

Witness the monks' early morning chanting ritual during your morning to Wat Pho, one of Bangkok's oldest temples. Continue to Lak Muang City Pillar which represents the foundation stone of Bangkok. Step into the Grand Palace and the Temple of the Emerald Buddha (Wat Pra Kaew). After a break for a typical family style local Thai lunch, continue visiting Wat Arun, the Temple of Dawn. Next, board a longtail boat for a cruise through Bangkok's maze of ancient canals. Make a stop at the fascinating Artist's House (Baan Silapin). Back on the Chao Phraya River, disembark at the pier and return to your hotel.
