

## Jungle Hike

### Khao Sok

**Hike along old hunting trails and explore one of the oldest forest ecosystems under the expertise of your local guide.**

Surrounded by lush foliage, with trees towering above, Khao Sok National Park is spectacular to uncover by foot. Watch as your skilled guides spot wildlife, exotic birds, insects and monkeys – including macaques and gibbons. Listen to the stories they share about the native flora and learn about the herbs within the jungle that have medicinal properties.

Total hike is approx. 2.5 hour. Fitness level: Easy
