

Nerina's Narratives

Cultural Triangle

Exploring the cultural triangle with an archaeologist, one for the history buffs.

When we travel sometimes we miss on the off the beaten track destinations for lack of an expert. Meet Nerina, a Sri Lankan archeologist with international experience.

Her knowledge of the little known sites on the Cultural Triangle will bring the past to life. In addition to the famous cultural sites like Anuradhapura and Sigiriya, some of our favourite spots to visit with her include Kaludiya Pokuna and Ritigala. Just keep it to yourself as it will be a shame to see this places overrun by tourists!
