

Ngo Quy Family–18th Generation living in the same house

Northern VN

A typical family has 20 generations living under the same roof. Have tea and discuss their family story with the 18th generation Ngo Quy family.

When your family has been living in the same house, in the same village for over 200 years, there is a guarantee of stories to tell. Meet the Ngô Quý family who are the 18th of 20 generations to live in this same house (You can see the family tree in the background of this picture!). Have tea, discuss their family story, explore their gorgeous garden and explore the past with this beautiful couple
