

Old Town on Foot

Phuket

Discover the true spirit of Phuket's old town on foot, early morning, as it comes to life. Take in some iconic sights, engage with vendors and sample tasty snacks.

Walk the quiet streets with your local insider for a fascinating introduction to the history of Phuket. Listen to stories about the wealth earned by the tin and rubber barons and discover the colorful historic Sino-Portuguese shophouses and mansions from that time. Learn about traditional herbal medicine, visit an old-style barber shop and observe an area where everything seems frozen in time. Engage with the owners of old Indian cloth stores and printing shops where the typewriter still can be seen.
