

Snorkeling on Menjangan Island

Pemuteran - Bali

The water around Menjangan island has some of the healthiest, and most spectacular coral reefs in all of Bali.

The starting point of this snorkeling adventure is Pemuteran province in the north of Bali, from where you take a boat to Menjangan Island. Diving in this part of Bali is unique – a magical experience that cannot be easily described. Many of the dive sites off Menjangan Island, located in Menjangan Marine National Park, have an abundance of colorful marine life, which can be easily explored and appreciated in only a few meters of water. A picnic lunch is included and snorkeling equipment is provided. After snorkeling, you return to Pemuteran by boat and then transfer back to your hotel.
