

## Wildlife Rescue Center Visit

### Hua Hin

**Embark on an unforgettable visit to a Wildlife Rescue Center, spend time learning about the program to rescue and rehabilitate abused, injured and abandoned animals.**

Be collected from your accommodation early morning for a visit to the Wildlife Rescue Centre and Elephant Refuge. (approx. 30 kilometers) run by Wildlife Friends Foundation Thailand (WFFT), on land donated by the temple. Founded with the aim of trying to rescue abandoned and abused animals with the hope to rehabilitate as many as possible to eventually release back into the wild - where they belong. The center cares for over 600 animals at any one time including gibbons, macaques, lorises, langurs, bears, wild cats, various civet species, reptiles, otters, birds and elephants.
