

Bali Eco and Educational Cycling Tour

Ubud - Bali

Explore the natural beauty of Bali by bicycle and learn all about the Balinese day-to-day life.

Drive up to Penelokan near Kintamani, where you have breakfast at a beautiful spot with stunning views of Mount Batur and its crater lake. After breakfast, set off on your mountain bike, travelling downhill along minor village roads, experiencing typical Balinese daily life and enjoying the beautiful countryside. You ride through lush forested areas, small villages and lush-green rice paddies. There are numerous stops along the way, including a visit to a Balinese home, where you get to see first-hand how the Balinese live outside the tourist areas. A delicious Balinese lunch is served at a local restaurant. This cultural, ecological, educational and culinary experience is a full-day tour, but it can also be adapted to fit a specific time schedule.
