

## Bangkok - Bike, Boat and Train

Bangkok

Prepare yourself for an all-day exploration that will take you to the outskirts of Bangkok by way of classic railway and other local modes of transport.

Discover amazing contrasts, modern lifestyles derived from classical traditions, Buddhist temples coexisting harmoniously with Muslim mosques, and frenetic urban sprawl giving way to gentle rural landscapes. In between, pedal-power and longtail boats will bring you into a fascinating world far removed from Bangkok's traditional tourist sites. Most importantly, you see the many faces of Bangkok as few else have!

Total ride is approx. 25 kms. Fitness level: Hard
