

Blue Elephant Cooking Workshop

Bangkok

Experience the wonders of Royal Thai cuisine with a hands-on workshop at the world-famous Blue Elephant Restaurant.

Step inside the centuries old mansion, meet your professional chef and check out the well-equipped kitchen. Head out to the local market* discover a world of fresh produce. Learn how to select and buy ingredients for your cooking workshop of up to four dishes. Be guided through a selection of dishes based on season and availability at your individual cooking station. Savor your creations along with additional dishes prepared by the restaurant kitchen themselves.
