

Delight in Forest Friendly Tea

Chiang Mai

Gain an intimate appreciation of sustainable tea during a privately conducted tea tasting workshop before indulging in a tea-inspired lunch.

Meet the founder of Monsoon Tea, Richard Rimdahl, and listen to stories of the wild teas of Northern Thailand. Sit back, savor a selection of teas and appreciate the journey he has undertaken. Be introduced to 'Miang' fermented tea leaves with their unique flavor, and learn about his passion for Forest Friendly tea, grown completely in harmony with its surroundings. Engage in a lively discussion before sitting down to a delicious lunch showcasing traditional Thai Lanna recipes inspired by the region where the teas are grown.
