

Encounter Orang Utans of Sumatra

Gunung Leuser National Park - Sumatra

Come up close with the rainforest's most wonderful inhabitants; our human distant relatives, the Sumatran Orang Utan.

Embark on a challenging jungle trek deep into the Gunung Leuser National Park with an experienced guide in search of Sumatran orangutans. Listen to stories and be rewarded with a beautiful and pristine environment. Seek out some of the other amazing animals that call the park home such as Thomas leaf monkeys, Longtail and Pigtail macaques, flying squirrels, and Sumatran peacocks. Learn about the rainforest and identify the different species of flora and fauna along the way. Appreciate the threats that face the endangered Sumatran Orang Utan and what conservation is being undertaken to preserve their environment.
