

Engage with a Suling Maestro

Ubud - Bali

Spend time with Gus Teja, one of Bali's most famous local musicians and enjoy a private concert at his home.

Meet Gus Teja a *suling* (flute) maestro from a small village near Ubud. Hear stories of how as the youngest of four children, he began playing the flute while attending elementary school and also spent time practicing the *gamelan* (Balinese traditional musical instrument). Over the years, Gus Teja has continued to challenge himself, creating instruments crafted from whittled wood to full-fledged bamboo flutes. He is constantly harmonizing his music, combining traditional and modern instruments to produce a unique signature blend. Spend time with Gus Teja at his home talking all things musical before being treated to a mini-private concert.
