

Enjoy Asian Inspired Dining at Seeds Restaurant

Yangon

Having a romantic dinner with an extraordinary culinary experience with professional personalized service and hospitality by young local people.

Seeds Restaurant & Lounge, a romantic, contemporary fine dining getaway on Inya Lake, is the brainchild of Swiss Michelin Star Chef Felix Eppisser and his wife Lucia. Situated in a beautiful bamboo-crafted lake house, the restaurant offers picture-perfect views overlooking the lake, where you can sit and enjoy an extraordinary culinary experience, with professional, personalized service and hospitality. The restaurant also follows a policy of supporting young, local people – helping to prepare and train them for careers in the hospitality industry.
