

Float Gently in a Hot Air Balloon

Chiang Mai

Float high above the countryside on an unforgettable sunrise hot air balloon flight followed by a celebratory breakfast with bubbles.

Wake before sunrise and travel to your departure point, watch as your balloon slowly inflates ready for launch while you savor a hot brew. Marvel at the panoramic views of the countryside dotted with rich green paddy fields below. Delight in being almost able to touch the houses below as you're greeted by shouts of "Sawatdee" from the children running outside their homes as you pass overhead. Soar silently above Chiang Mai and identify the temples and landmarks below before you return to land and enjoy a champagne breakfast and relive these cherished memories.
