

Inside Vientiane Market and Street Food

Vientiane

Immerse yourself in the sweet and savoury smells, flavours and sounds of the delightful array of fresh street food of Vientiane.

Markets are the birthplace of many delectable morsels of street food and this morning you will start your day at a bustling local market where you will get a sense of the sensational flavours of Laos. Following your market experience you will learn about and indulge in Kao Piak soup, a staple Laotian dish. Balance your palate by trying traditional Lao ice cream at one of the city's oldest ice cream makers little local shop.
