

James Bond Discovery by Longtail

Krabi - Phang Nga Bay

Set off on an exhilarating day of island hopping on board an iconic longtail across the beautiful Andaman Sea.

Transfer to Phang Nga pier and soak in the spectacular scenery as you cruise past mangrove forest, limestone caves and unusual rock formations to islands. Appreciate the craftsmanship of your handmade wooden longtail, its unique choice of color, designed to pay respect to the water spirits. Discover Khao Ping-Gan, a small island meaning “leaning mountain”, actually a single rock which split in two. Marvel at Tapoo Island with its narrow base and flat wide top which featured in the James Bond movie, “The Man with the Golden Gun”
