

Rinca Island Komodo National Park

Komodo National Park, Flores

Explore the stunning nature of this world renowned UNESCO Heritage site, Komodo National Park and come face to face with the fascinating Komodo Dragons.

On the way sailing into Komodo National Park, there will be plenty of opportunities for snorkeling – the underwater world surrounding the different islets is breathtaking, and so are the stunning white sand beaches. You'll then visit the island of Rinca where you will encounter the majestic Komodo dragons – a truly amazing experience! There is the opportunity for short or longer hikes with local guides. In the afternoon we return to Labuan Bajo where amazing sunsets will be observed.
