

## Speakeasy Experience

### HO CHI MINH

**Discover hidden gems and learn about the underbelly of Saigon with this cocktail experience at various watering-holes only locals know about.**

Getting “off-the-beaten-path” in the centre of Saigon is no mean feat. One of the best ways is getting lost in the endless alleyways that crisscross the city. Down some of these, we have found a number of incredible little watering-holes that take you back to a forgotten era.

We will take you to a few of our favourites to sample the incredible specialty drinks, listen to some incredible live music and soak up the classic feeling of these “speakeasies”.
