

Stencilling Traditional Tattoos with Fresh Ink

Inle Lake

Meet and chat with a local tattoo artist how traditional tattoos are believed to ward off bad spirits, calamities, and other misfortunes.

In the rural mountains of the Shan State bordering China, Laos, and Thailand, locals get inked with traditional protection tattoos and other tribal patterns. The traditional tattooing style is passed down from generation to generation and is still very active today. As you get a real insight to the myths and stories behind the local craft, learn how traditional tattoos are believed to ward off bad spirits, calamities, and other unfavourable misfortunes.

These tattoos have strong ties to both Buddhism and indigenous-animism in Myanmar. Discover the meaning, art styles, and beliefs behind this tradition.
