

Paint a Paper Umbrella Workshop

Chiang Mai

Immerse yourself in a hands-on workshop creating your own designs to paint on a paper parasol which you keep after completing.

Learn about the complete process of making the parasol including how to make the sa paper from the mulberry tree, although nowadays cotton is sometimes substituted. Sit down with you plain parasol and under the guidance of your personal craftsman let your workshop begin. Be as creative as you chose because although originally floral designs were preferred, now a days even abstract creations are popular. Once you have completed, leave with your hand made memento.
