

Mekong Delta in a Day (Biking Tour) - Private

Southern VN

Explore the meandering Mekong delta as you cycle through scenic rice paddies, local villages the verdant landscapes of the Mekong region. End the ride with a relaxing cruise on a private boat along the river.

After a pick up at your hotel enjoy a leisurely transfer (1.5 hours) to the start of the cycling experience. Enjoy coffee at one of our favorite local cafes where your bicycle is properly fitted and you are acquainted with it. Cycling begins through narrow rice paddies elevated for irrigation purposes and opportunities abound for some spectacular photos of the verdant landscapes. Continue through empty country roads under the shade of mature indigenous trees, which will provide a respite from the heat. After the mornings ride you will board a private boat for a relaxing tour along one of the most beautiful waterways in the region to our lunch spot. Enjoy authentic Mekong cuisine for lunch and have an opportunity to relax and refresh with a cold shower. Afterwards you will be transferred back to Saigon.
