Start with a stunning Angkor Wat sunrise exploration. In the afternoon, enjoy a cooking and ceramics class before an electrifying circus show.

## 5 SENSES SERIES

Wake before dawn for an unforgettable journey to the Angkor Archaeological Park. Enter through the shadowy east gate as the jungle **hums** around you, then **watch** in awe as the silhouette of Angkor Wat emerges and the sunrise bathes it in golden hues.

Spend the morning uncovering the secrets of Angkor's many temples. By early afternoon, dive into Cambodia's **flavors** with a unique cooking class, starting with a visit to a bustling local market before creating your own mouthwatering Khmer dishes.

Later, get **hands-on** with a ceramics class, shaping clay into your own masterpiece. As night falls, be mesmerized by the electrifying Phare Ponleu Selpak Circus, where **music**, acrobatics, and storytelling collide in an unforgettable spectacle!
