Day 1

Ubon Ratchathani

Sawasdee! Welcome to Thailand!

Your day begins with an early visit to the main sights of Ubon Ratchathani including the Charmchuree Tree and the Kaeng Sam Phan Bok.

Next, journey to the peaceful Wat Pa Phu Pang, and other famous temples.

Following this, immerse yourself in local culture where you can explore the silk-spinning industry and even participate in weaving or indigo workshops.

Please reach out to us for more details of Days 2-3.

Day 4

Champasak – 4000 Islands

After breakfast, visit the impressive Khone Phapheng waterfall, a natural barrier that thwarted French navigation efforts.

Take a cruise to the serene Don Khone Island. This island played a crucial role during French colonization, though the waterfalls in the 4000 Islands region impeded their naval ambitions.

Explore through rice paddies, small villages, and organic gardens to explore the old narrow-gauge railway built by French colonists.
